MEHORANDUM FOR THE RECORD

Recruitment of Eas Tech, Civilian Bire of SUBJECT:

25X1

i. Several unofficial communications, mostly verbal. have been received by me indicating that Sgt intended to retire and assume civilian employ— ment at in his EAE capacity. Through cable, I attempted to pinpoint retirement could be timely. Through cable, I attempted to pinpoint retirement could be timely. Through cable, I attempted to pinpoint retirement could be timely. Through cable, I attempted to pinpoint retirement could be timely. Through cable, I attempted to pinpoint retirement could be timely. Through cable, I attempted to pinpoint retirement could be timely. Through cable, I attempted to pinpoint retirement in a civilian civilian civilian pince and myself revealed that 25X1			
intended to retire and assume civilian employment at in his EAE capacity. Through cable, 25x1 attempted to pinpoint retirement 25x1 intentions so that my replacement recruitment could be timely. Would not respond with a firm yes or no answer to intentions. I believe this was due to the fact that hire has bet been firmed and is awaiting 25x1 firmer ground to plan his career on. 2. On 7 January. the discussion between 25x1 and myself revealed that 25x1 and myself revealed that 25x1 capacity until his wife passed away. It had been unofficially, verbally promised to the could stay at 25x1 after retirement in a civilian 25x1 capacity until his wife passed away. 25x1 are Force retirement effective June 1964. To this date, official intentions are unknown to 25x1 to remain in place in conjunction with his wife.) For many reasons, mostly because it is unknown where Sgt 25x1 there, I have been in recruitment of an EAE Tech. I intended to firm up the recruitment of this military take Tech and replace if and when he re-	1 Savana 1	************	
ment at in his EAR capacity. Through cable, 25X1 I attempted to pinpoint retirement 25X1 intentions so that my replacement recruitment could be timely. would not respond with a firm yes or no answer to intentions. I helieve 25X1 this was due to the fact that civilian 25X1 hire has bet been firmed and is awaiting 25X1 firmer ground to plan his career on. 2. On 7 January the discussion between and myself revealed that 25X1 and myself revealed that 25X1 capacity until his wife passed away. It had been unofficially, verbally promised to that 25X1 capacity until his wife passed away. The could stay at after retirement in a civilian 25X1 capacity until his wife passed away. The passed away official intentions are unknown to 25X1 to remain in place in conjunction with his wife.) For many reasons, mostly because it is unknown where Sgt will end up and what date he will end up the recruitment of this military attended to firm up the recruitment of this military 15X1 in place 1f on the sole 1f and when he recruitment of this military 15X1 in place 1f on the sole 1f and when he recruitment of this military 15X1 in place 1f on the sole 1f and when he recruitment of this military 15X1 in place 1f on the sole 1f and when he recruitment in place 1f and when he recruitment 1f and when	vorhol kawa taan	morridat communications, mostly	
In his ker capacity. Through cable, 25X1 intentions so that my replacement recruitment could be timely. No answer to intentions. I believe intentions. I believe intentions are unknown to plan his career on. 2. On 7 January the discussion between 25X1 and myself revealed that 25X1 capacity until his wife passed away. 25X1 after retirement in a civilian 25X1 capacity until his wife passed away. 25X1 after force retirement effective June 1964. To this date, 25X1 official intentions are unknown to 25X1 to remain in place in conjunction with his wife.) For many reasons, mostly because it is unknown where Sgt 25X1 will end up and what date he will end up and when he recruitment of this military and the recruitment of this military if and when he recruitment if and w	intended	received by me indicating that Sgt	25 X 1
I attempted to pinpoint retirement 25X1 intentions so that my replacement recruitment could be timely. Would not respond with a firm yes or no answer to intentions. I believe 25X1 this was due to the fact that discussion between 25X1 firmer ground to plan his career on. 2. On 7 January the discussion between 25X1 and myself revealed that 25X1 wanted to mire and myself revealed that 25X1 officially, verbally promised to that after retirement in a civilian 25X1 capacity until his wife passed away. 25X1 werbally indicated that after retirement in a civilian 25X1 official intentions are unknown to 25X1 to remain in place in conjunction with his wife.) For many reasons, mostly because it is unknown where Sgt will end up and what date he will end up the recruitment of an EME Tech. I intended to firm up the recruitment of this military EME Tech and replace if and when he re- tires. If OSA wishes to leave in mile and in place in place in the same in place in the recruitment of this military in place. 25X1 in place if and when he re-	MADE AT	to terre and assume civilian employ	
intentions so that my replacement recruitment could be timely. would not respond with a firm yes or intentions. I helieve this was due to the fact that civilian firmer and to plan his career on. 2. On 7 January. the discussion between and myself revealed that summer and myself revealed that summer of intentions. I helieve to nire and myself revealed that summer of this military and in turn loan him to 25X1 officially, verbally promised to that after retirement in a civilian capacity until his wife passed away. Werbally indicated that after retirement in a civilian capacity until his wife passed away. Werbally indicated that after retirement in a civilian capacity until his wife passed away. Werbally indicated that after retirement in a civilian capacity until his wife passed away. Werbally indicated that after retirement in a civilian capacity until his wife passed away. Werbally indicated that after retirement in a civilian capacity official intentions are unknown to conficial intention with his wife.) The conficial intentions are unknown to conficial intentions are unknown where Sgt will end up and what date he will end up the recruitment of an Ear Tech. I intended to firm up the recruitment of this military if and when he recruitment if and when he recruitment if and when he recruitment in place in passed to capacity unlied to capacity u		n nie see capacity. Through cable,	
this was due to the fact that hire has het been firmed and firmer ground to plan his career on. 2. On 7 January the discussion between and myself revealed that wanted to nire and in turn loan him to 25X1 Value officially, verbally promised to the could stay at capacity until his wife passed away. Verbally indicated that after retirement in a civilian capacity until his wife passed away. Air Force retirement effective June 1964. To this date, official intentions are unknown to PR/OSA. 3. reflected a negative attitude for the sola purpose of being compationate(ie. allow to remain in place in conjunction with his wife.) For many reasons, mostly because it is unknown where Sgt will end up and what date he will end up there, I have been in recruitment of an EME Tech. I intended to firm up the recruitment of this military EME Tech and replace tires. If OSA wishes to leave	intentions so that	Point	25 X 1
this was due to the fact that thire has bet been firmed and firmer ground to plan his career on. 2. On 7 January. the discussion between and myself revealed that wanted to mire OSA if OSA would pay his calary. It had been un- officially, verbally promised to the could stay at after retirement in a civilian capacity until his wife passed away. Werbally indicated that after retirement in a civilian capacity until his wife passed away. Air Force retirement effective June 1964. To this date, official intentions are unknown to PB/OSA. 3. reflected a negative attitude toward paying a salary to purpose of being compationate(ie. allow to remain in place in conjunction with his wife.) For many reasons, mostly because it is unknown where Sgt will end up and what date he will end up there, I have been in recruitment of an EME Tech. I intended to firm up the recruitment of this military EME Tech and replace tires. If OSA wishes to leave	timely	my replacement recruitment could be	25 Y 1
this was due to the fact that hire has het been firmed and firmer ground to plan his career on. 2. On 7 January. the discussion between and myself revealed that wanted to nire Osa if Osa would pay his salary. It had been un- officially, verbally promised to the could stay at capacity until his wife passed away. Air force retirement effective June 1964. To this date, official intentions are unknown to PS/OSA. 3. reflected a negative attitude to remain in place in conjunction with his wife.)
